MATCH REPORTS – 9th May 2023

HOLT UNITED 7 SWANAGE T&H 2

Holt United FC sealed the Dorset Premier Football League title with an emphatic victory over Swanage T&H at Petersham Lane, needing only a point to secure the League, the Bulls never looked like falling at the final hurdle as they claimed their 12th straight win.

The home side opened the scoring after just 3 minutes when Connor Bent was unceremoniously brought down in the box by a Swans Defender. The League's leading scorer, ALI GARARD slotted home from the spot to ease any nerves. Ten minutes later Holt got awarded another penalty, and ALI GARARD again made no mistake, picking the same corner as his 1st one. Swanage needed to score the next goal to make a game of it and give some hope to those in North Dorset !! but despite their best efforts, it was 3-0 to the hosts after just 20 minutes, with Garard turning provider this time, finding SCOTT BUNGAY who calmly found the net. The rest of the first half was evenly

contested but on the stroke of half time, a great piece of individual skill from CONNOR BENT made it 4-0 to the hosts who now had both hands firmly on the League title, HT 4-0. The first chance of the second half fell to Scott Bungay, whose fierce shot was well saved by Taylor Hibbs in the Swanage goal. On the hour mark, Swanage had their best chance of the match so far when Ocean Smith found himself through on goal, but he was denied by Holt custodian, Chris Lynch. The game then seemed to peter out with the home side coasting and basically waiting for the whistle. However, an eventful last few minute's saw DAN BRADFORD score for Holt from a scrambled corner. Moments later, a Sam Herrington pass found the impressive COREY ELWICK who finished confidently. Six soon became Seven when an unmarked BEN SULLIVAN scuffed the ball home after a melee in the box. Holt had one eye on the post-game celebrations, and gifted Swanage two goals right at the end. Sloppy defending allowed CHARLIE BRASSINGTON & OCEAN SMITH to score for the visitors.

There was a poignant moment just before the final whistle, when Kian Boyd made a substitute appearance for Holt, having missed most of the season with a serious illness. Congratulations to the Holt United FC players and credit must go to Manager, Jack Williamson and his assistants whose hard work and dedication has been justly rewarded after a gruelling final few weeks of the season.

BALTI SPORTS 1 WESTLAND SPORTS 2

Ten-Man Balti Sports ended their Jewson Dorset Premier Football League season by conceding an agonising 88th-minute winner in their 2-1 defeat to Westland Sports at Cranford Avenue who by virtue of their win secured 3rd place in the League Table.

Balti were hamstrung by a red card for Danny Andrews on the half hour, shown for alleged violent conduct after a tangle with a Westland centre-half. Both teams played in their change strips after Westland's away jersey clashed with Balti's home shirt, both with navy colouring. The match also kicked off ten minutes late on an unusual evening, but Balti were well up for the fight even after losing Andrews. Typifying their spirit was goalkeeper Andy Nott, who rushed off his line to deal with deliveries and through balls on

countless occasions, keeping his side in it with a catalogue of saves. Westlands did take the lead after half-time as HARRISON FOSTER ran through and lifted a neat finish over Nott, before hitting the post and cruelly trickling in. Balti's Sami Nichols and Matt Roberts also cleared Westland efforts off the line. And the hosts' defensive efforts were rewarded when CARL MUTCH, scored a scrappy equaliser to give Balti extra reason to fight. Balti were able to frustrate Westland by winning several free-kicks but, with light fading and the clock ticking down, HARRISON FOSTER tapped home at the back post from a low cross-shot. However, there was late drama as Balti were convinced Carl McClements' stoppage-time volley inside the area thudded against a Westland hand, with the officials unmoved. It meant Balti had to settle for a battling defeat and 16th place in the division, finishing above only bottom side Shaftesbury Reserves. Speaking to Echosport, Balti boss Marco Nott said: "The lads were outstanding throughout the whole 90 minutes. "It's typical Balti, really. We get there with a strong squad and we end up going down to ten men in the 30th minute. "We've played about 60 minutes with ten men against an experienced Westland side. "I thought we were outstanding, and we were always a threat. We were looking dangerous on counterattacks and rattled them a bit. "For the lads, it could've been a typical end-of-season game, nothing on it at all, but they were superb and really did give everything until the final whistle. "It was incredible to see the effort they put in for me and the team." Balti were also docked six points for conceding their away trip to Westland, finishing on 24 points from 32 matches.

WIMBORNE TOWN RESERVES 3 BLANDFORD UNITED 3

These 2 sides served up a 6-goal thriller with honours even in the Jewson Dorset Premier Football League to end both sides excellent campaigns.

The hosts raced into a 2-goal lead with strikes from HEATH THORNTON & GEORGE ASHBY and could have had more, with the Royals probing but not being able to capitalise on their chances created HT 2-0. Into the 2nd half and the visitors made their chances count as REUBAN STANLEY & ELLIOTT MANSON restored parity. However, with 2 minutes remaining the hosts were awarded a penalty, duly converted by LUKE SHEEHY to put the hosts back in front. To the Royals credit they did not let this late Penalty concession get them down as with the game moving into injury time, they themselves won a penalty which JOE SMITH calmly slotted home to again restore parity. And that's the way it stayed, a point a piece in a thoroughly entertaining game.

MATCH REPORT – 13th May 2023

LEAGUE CUP FINAL

STURMINSTER MARSHALL 1 STURMINSTER NEWTON 3

It was Dorset Premier League Cup Final day on Saturday when the battle of the Sturminster's saw North Dorset Sturminster Newton taking on Sturminster Marshall, played in glorious conditions on an excellent surface, courtesy of Wimborne Town's New Cuthbury ground and in front of just shy of 400 spectators.

It was energy sapping for both sets of players and this was reflected in a game which didn't reach any great heights as both sides tried to get to grips with the warm conditions. The Cherries would have been pre-match favourites, finishing runner up in the Jewson Dorset Premier Football League, although they were missing a few of their regular starters due to skipper, Brad Hansford's wedding, nevertheless, such is the depth of their squad they still managed to field a strong side. So, with all of this, it was important for Sturminster Marshall to get at their opponents early on, and prevent them

from settling and they managed their way through the first 25 minutes really well, it was very much a midfield battle, there were half chances at both ends but it was Sturminster Marshall who struck first in the fifteenth minute, Callum Whitelaw piercing the Cherries defence with a pass intended for the dangerous Jordan Fisk but it was defender ELLIOTT PEARCE-EAVIS who got a foot to the ball first but he could only direct it past the advancing Theo Crane in the Cherries goal to give Sturminster Marshall the lead. This was exactly what the game needed and with the Cherries

struggling to settle Sturminster Marshall we're having their best spell of the game and they did have the better chances early on but gradually the Cherries worked their way into the game, their defence became more composed, and Ashley Clarke was starting to boss things

in midfield even though Marshall's Josh Ridland was giving him a real battle at times. From the half hour mark the Cherries were beginning to take control of proceedings, however in the 34th minute Newton's Aaron Lane – Laney was rightly cautioned for a challenge on Marshall's keeper James Young that left the keeper needing treatment for 3 minutes, fortunately he was able to carry on. Newton's Will Guppy, Aaron Lane-Lenny and Buddy O'Shea were beginning to find more room and they were beginning to stretch Sturminster Marshall's defence and midfield. Guppy was being given a tough time by the excellent Lewis Crumpler at right back but, in the 41st minute, a ball was launched into the box towards Lane-Leney at the far post and he unselfishly headed back into the path of WILL GUPPY who had lost his man and drove home a crisp half volley from 18 yards to level the scores up. The Cherries had got the fillip they needed

from this goal and right on the stroke of half time a ball was played into the feet of Guppy, his shot was parried by James Young in the Sturminster Marshall goal, but ASHLEY CLARKE was on hand to net the rebound to see the Cherries go into half time holding a 2-1 lead.

Sturminster Marshall lost influential skipper Will Gage at half time to a groin strain, so

they had to reshuffle the pack and with this the game began to open up, which certainly suited Sturminster Newton, Guppy and O'Shea were beginning to find plenty of room out wide, stretching the Sturminster Marshall defence. Sturminster Marshall's biggest problem through the entire second half was an inability to keep hold of the ball and

surrendering possession playing right into the hands of their opponents. Going into final 25 minutes both sides were looking a little leggy in the hot conditions but the Cherries better ball retention paid off in the 70th minute, a Cherries free kick was put right on Sturminster Marshall's young keeper, he could only weakly punch and half clear and BUDDY O'SHEA was on hand to slam home from 12 yards giving the young keeper no chance and deservedly give Sturminster Newton a 3-1 advantage. Sturminster Marshall were pushing more players forward but again, too many passes went to a red shirt, Guppy and O'Shea were finding acres of room out wide but they couldn't capitalise on chances they were creating and as all players were tiring the game ran out to a 3-1 win for the North Dorset outfit, a deserved win at the end of the day but plucky Sturminster Marshall gave them a run for their money in the early exchanges.

BALTI SPORTS FC

BALTI Sports' boss Marco Nott has vowed to continue next season, defiantly stating: **"I'm not prepared to give up my club"**.

Nott, who founded the club as a Sunday pub team 18 years ago, has overseen Balti during a rapid rise through grassroots football in the county, guiding them to the Jewson Dorset Premier Football League. However, last season was arguably the toughest in the club's existence as the concession of a game saw them docked six points on their way to 16th in the table, one place off bottom. Their downturn in form, having finished eighth last season, has led to rumours about the club's future and whether it could fold before the 23/24 campaign. Setting the record straight, Nott told Echosport: "There's been a lot of rumours that we're going to jack it in. "It has been an extremely tough season for all sorts of reasons and I'm glad the season's ended, don't get me wrong. "But I'm really upbeat, actually. There's a lot of people trying to get my club. I've built the club up for 18 years and I'm not prepared to let it go.

"I'm really determined next year. With a few additions to the players and staff, it's going to be a strong Balti. I'm excited to see where it can go. "I've seen so many stupid rumours that we're going to fold and that teams are going to take our place in the league. "It's definitely not happening. I'm not prepared to give up my club, that I've worked so hard for." Nott stressed the rebuild at Balti would consume a wealth of hours over the summer. "But I've seen enough within the lads we've got. "We've got to do a lot of work during the summer in terms of getting rid of a lot of deadwood. I've started that already. "Getting rid of the moles in the team, stop relying on the unreliable and get some strong, committed players in. "From what I've heard already, there's a good chance of getting a strong squad together next season. "It would be nice to get a new voice in the dressing room as well, with different ideas." Nott also signalled his intention to be "ruthless" this summer, ridding the club of leaks stemming from the club's group chat. "I don't want to name-drop," he said. "But it's quite apparent there's maybe two on our chat that have been leaking stuff. I'm not having it. "It's time to be ruthless and get rid of players lingering around, instead of players who are committed to the cause. "One thing I have found out this season is that you know who the committed ones are and the ones who are going to let you down on numerous occasions. "I'm in no position to time-waste.

It's time to start afresh." Nott then revealed how he will sell the club's image to interested players, highlighting Balti's "success story" in its short life, and he congratulated Holt on winning the league. He said: "There will be numerous new additions. We want to get at least six to eight players, probably more, with some experienced heads. "It's a case of getting a few names together and working my magic, selling what is a good club. "It's been reminded to me that it's not a bad club. The club's been a success story from the get-go. "It's more reminding people how good a club it is. It should be a joy to play for, it's about getting that club back. "I'd lost my motivation for football and probably Balti for the last 18 months, to be honest. "I think the league will thrive soon. There's a lot of good, young clubs. "Holt United FC congratulations to them. They're the one club I've got huge respect for. "They've done exactly what I'm looking for, changing their club to a young, hungry side. "You can see on the pitch what they've done. They're young and well-coached and have deservedly won the league. Congratulations to ALL Connected with Holt United FC."

MADE TO MAKE A DIFFERENCE.

BUILD A SPACE FULL OF COMFORT AND QUALITY WITH OUR INNOVATIVE MAKING BETTER HOMES PRODUCT RANGE.

Making Better Homes with sustainability & comfort

The built environment accounts for almost 40% of the world's carbon emissions. At Jewson, we're determined to make a difference by helping make the world a better home! And that means supporting you. Whether that's through training, support or providing smart and simple sustainable products and solutions for you to share with your customers.

How the built environment reacts to this situation is going to play a huge part in tackling climate change. While that might feel like a monumental task, the choices that you make for your customers on each and every project will make all the difference. We also know that homeowners and renovators are increasingly looking for more efficient and sustainable solutions that still offer (and potentially enhance) the level of comfort that they expect. So, there is a lot you can do on your next project.

But we know you might need a helping hand as you get to grips with all of this, so we're doing our best to support tradespeople through this transition with an improved 'Making Better Homes' product range. Featuring the latest innovations in lower carbon materials, air quality, thermal and acoustic performance, these products and solutions will help you maximise quality, efficiency and profit while building comfortable spaces that your customers will love.

While we know there's still a long way to go, with the changes we're putting in place, we're sure we can build smarter, build better and make a difference.
