LEAGUE | 1st January 2022 DORCHESTER SPORTS 7 WAREHAM RANGERS 2

Dorchester Sports extended their club record of consecutive wins to 12 with a 7-2 thrashing on New Year's Day of Wareham Rangers in Jewson Dorset

Premier League action at the Avenue Stadium.

Despite the score line, Sports did not have this contest all their own way and twice went behind in the first half. Wareham skipper THOMAS WHITE headed home from a corner before Sports equalised through a fine 20-yard GARETH WILL strike, finding the top corner.

Undeterred, Wareham retook the lead when a mix-up in the Sports' defence presented JAMES PETERS with a tap-in, which he duly accepted. That was as good as Rangers' afternoon got, however, as second-placed Sports leant on the accelerator.

JAMIE SYMES levelled soon afterwards and Will then turned provider for BAILEY MCNAMARA to head home for 3-2 on 30 minutes. JAMIE SYMES was then brought down for a penalty, with the midfielder stepping up and firing home (see below photo) before completing his hat-trick in cheeky style, chipping Wareham keeper Mike Davies for 5-2 at the break, HT 5-2.

Sports were in hungry mood for goals and added two more in quick succession when BAILEY MCNAMARA grabbed his second and LIAM O'SHAGHNESSY notched on his return from his recent hand surgery. With fully 30 minutes remaining, merciless Sports went in search of more goals but were frustrated by Wareham keeper Mike Davies who denied McNamara his hat-trick.

Alex Godfrey was twice kept at bay and Darren Watts was repelled as the excellent Davies kept the score line down. Speaking to Echosport, Sports Manager Ash

and, in the end, it was a comfortable win. In the end it should've been double figures.”

Dorchester Sports, have applied for promotion to Step 6 for the 2022/23 season.

POOLE BOROUGH 4 BLANDFORD UNITED 4

Poole Borough welcomed Blandford to Turlin Moor looking for a festive double after their success at Corfe Castle last time out in this New Years Day match in the Jewson Dorset Premier Football League.

James highlighted the character shown by his players to negotiate a tricky start to the game.

He said: “It took us 20, 25 minutes to get a grip of the game. Fair play to Wareham, they came out and gave it everything. “Every time they went forward, they looked like they were going to score. We had to be patient to get our noses in front. “Once we went 3-2 up, we didn't really look back. We were superb and scored another four good goals. They didn't get a sniff after half an hour.”

He added: “We had to dig deep, show a lot of character when we went behind twice. “We weathered the storm

However, it was the visitors who flew out the blocks and were awarded a penalty after three minutes which was converted by STEVE SMITH.

Blandford then doubled their lead on twelve minutes when a cross into the box was not dealt with by the Borough defence, with REUBEN STANLEY'S header cannoning in off the bar and into the net.

Borough then halved the deficit on twenty-four minutes when Sam Lench's cross was headed on by Fendley allowing CALLUM NEATE to nip in front of the visitor's

keeper to tap the ball into the net. The games turning point came a minute later when Blandford's Tom Oliver was shown a straight red card after a challenge on Lench.

Blandford to their credit, restored their two-goal advantage before half time when a long ball was poorly defended allowing MARK FORD to control and finish well after rounding Lee Devlin in the Borough goal, HT 1-3.

The second half saw Borough pushing hard but Blandford always looked dangerous on the counter and with twenty-five minutes left CARL PRESTON'S cross for the hosts sailed over Robbins in the Blandford goal for a fortunate second Borough goal.

The equaliser soon came two minutes later when a parried cross by Robbins resulted in him bringing down Harrison resulting with the ref pointing to the spot giving Borough skipper CARL PRESTON his second of the day to restore parity.

The hosts tails were now well up but again the visitors dug deep and this incredible game took another twist when Blandford went ahead again after a swift counter

following a Borough corner which ended with MARK FORD's clever finish into the bottom corner.

Then in added time there was one last twist to the game when a cross from Borough substitute Mirto was controlled by CALLUM NEATE who smashed the ball into the bottom corner to bring the sides level in what was a pulsating game to start the New Year, credit goes to both sides on the day.

CORFE CASTLE 3 SWANAGE T&H 1

Swanage suffered a 3-1 New Year's Day defeat against Purbeck rivals Corfe Castle at The Fortress in The Jewson Dorset Premier League.

The Derby exploded into action with two goals in the first four minutes, JAMAL BAXTER scoring for the hosts with a header at the near post from a corner and TOM CHAPMAN replying soon after for the visitors following a corner from Jake Streams and a flick on from Charlie Brassington.

Swanage stopper Ben Hodder made a superb save from Corfe's Jack Craig when clean through and Corfe keeper Jakub Lewiarczyk pulled off a great save to deny Charlie Brassington in an end-to-end 1st half, HT 1-1.

The second half turned into a feisty affair with plenty of tackles flying in from both sides, on a difficult pitch with quite a few yellow cards being deservedly shown by the match official.

The industrious George Sparrow went close for the visitors with a good shot then Swanage lost Taylor Hibbs through injury. Corfe eventually took the lead through FINN LOWE with a cool finish leaving Ben Hodder in the Swan's goal helpless with just 5 minutes remaining and just two minutes later the hosts secured the very valuable 3 points and deserved local bragging rights following a good finish from substitute JOSH LEE on the break.

This was a very disappointing start to 2022 for the Swans, however credit to the hosts Corfe Castle who battled hard for their victory. A victory they desperately needed and given they have games in hand over all the sides immediately above them in the League Table, this battling win should give them a shot of confidence for their remaining games.

BOURNEMOUTH SPORTS 2 HAMWORTHY REC 3

All credit for this result must go to Rec manager Kirk Grice. Rec had twelve players unavailable through Covid or injuries, so the last few days had been a nightmare for him, as he tried to cobble a team together.

Thanks to some late signings and a sprinkling of players from the youth side he managed to field a full team and three subs for this Jewson Dorset Premier Football League match at Chapel Gate against a very dangerous Bournemouth Sports side.

Earlier in the season Sports had given Rec a really tough game at Magna Road, so even with a full squad this was

going to be a difficult test. So given the circumstances, this was a great result.

Rec showed character, after taking the lead they then were behind at half-time, in a far from impressive showing, but a gutsy final 30 minutes saw Rec equalise and then notch a winning goal, to secure another precious three points. Man of the match was Ash Boyt, with a brilliant midfield performance, marred only by a late second yellow card.

Rec had the edge in the opening stages and went in front on 19 minutes. Boyt's corner on the left was met at the far post, by WILL GAGE, with a powerful header, to put the visitors one up.

But the lead was short-lived as within a few minutes Sports were level. A break down the left and a shot from twenty yards by prolific marksman JACK VOISEY went in off the far post, to make it 1-1.

Sports were looking the hungrier side and went ahead on 39m. A neat move on the right and a low cross was touched in at the near post by that man JACK VOISEY, again, to make it 2-1 to the hosts at the interval.

The opening exchanges of the second period were scrappy, but Rec gradually settled and equalised on 71m. Young Jake Kelly showed good control and delivered a telling, low cross, from the right, which was met at the near post by ASH BOYT, to make it 2-2. Joe Smith then had a good shout for a penalty turned down, before Todd Coombs saw his left-footer blocked and his right-foot effort fly over the bar.

Gage then headed a chance wide, before Rec clinched the win on 81m. John Webb threaded a ball through the middle for JOE SMITH to run onto and coolly slip past the advancing keeper, for his 19th goal of

the season. Despite being reduced to 10 men for the last few minutes, following Ash Boy's 2 Yellows, Rec held out, for a vital win. *Photo's courtesy of Steve Harris - crabbycabby@gmail.com.*

MERLEY COBHAM SPORTS 8 HAMWORTHY UTD RES 1

The young Hamworthy Utd Reserves side were the first visitors of 2022 to Merley Park as Merley Cobham Sports looked to continue their winning run in their pursuit of the of the leading teams in the division. It was an overcast afternoon and the recent wet weather had made playing conditions heavy to say the least.

The Hammers young charges started the game the far better of the two sides, belying their lowly position and their persistent high press made life difficult for the sluggish Cobham side but for all their endeavours the Cobham backline dealt comfortably with any threat, however, in the 20th minute, a mistake by Cobham new boy, Ogun Gondogdu, who had a solid game in the heart of the defence, led to Cobham's high line being breached by KAI MCCROW and he latched onto the loose ball and beat keeper Andy Knight easily from 18 yards to put the Hammers in front.

This was no more than the visitors deserved and served to be a wakeup call for the home team as they tried to work the rustiness out of their game. The young Hammers were certainly the dominant force for much of the first period and were unlucky not to stretch their lead when a deflected shot from distance hit the post with Knight well beaten.

Cobham gradually worked their way into the game and in the 40th minute found themselves on level terms when a free kick from CALLUM PERRY was hoisted into the box and eluded everyone to nestle into the back of the net and right-on half-time Cobham took the lead when a fine cross from the left was deflected into his

own goal by the unfortunate GAVIN HAYNES who was under pressure by Matt Groves. Cobham, fortuitously, found themselves 2-1 up at the break.

The second period started more evenly with Cobham's cobwebs clearly disposed of and they were far more competitive all over the park and began pushing their young counterparts into far deeper positions enabling Sands and Perry to push further forward and Josh Buck was becoming far more of an influence down the left flank so it was no surprise when, on 63 minutes, good work down the left involving Perry and Buck saw the latter cross well for evergreen MATT GROVES to score to make it 3-1.

Cobham had found another gear now and just 5 minutes later another good move was finished well by JOSHUA BUCK and Cobham moved to a comfortable 4-1 lead. Cobham made a triple change at this time, replacing their entire midfield and the pressure on the Hammers intensified and the speedy ELLIOTT ROSSITER got in on the act scoring Cobham's fifth goal in the 75th minute.

The Hammers only threat would come from the counter now but Walden and Gondogdu were excellent centrally for the Cobham back line and dealt with anything thrown at them.

A final flourish of three goals in 6 minutes saw MATT GROVES finish off a fine move to make it six in the 83rd minute, LEWIS MILLS finished off another fine move in the 88th minute, Cobham's seventh of the afternoon and MATT GROVES completed his hat trick just a minute later to make the final score 8-1 to the home side.

A really slow start by the Cobham outfit but a far more satisfactory second half which was just what they needed to start off the New Year. Solid performances from the entire back four and great to see Matt Groves

notching a hat trick to make it 9 goals in his last five games.

SHERBORNE TOWN RES o STURMINSTER NEWTON o Sturminster Newton travelled to “The Consol Stadium” home of Sherborne Town Reserves, this was both teams first outing of 2022, after both teams finished 2021 well, Stur were sitting in 2nd place in the league and “The Zebras” on a 6-game unbeaten run that has seen them move up to 9th place in the league. A healthy crowd of 130 was there to witness this encounter.

Sturminster Newton kicked the game off, however it was Sherborne who had the first real good effort on goal, when in the 1st minute Darren Shearer went close with a header that just went past the outside of the post.

However, after that early chance it was the away side that started to take a hold of the game and have the lion share of the possession, although the Sturminster Right Back was lucky to escape without a booking after a full-hearted tackle, where his timing was off. For all

Stur's possession it was Sherb that was creating the best chances, it was that man again, Darren Shearer that went close with another header.

5 minutes later, Sherborne's Tom Beeson was put through after some good midfield link up play, however he saw his shot rebound off the post and unfortunately there was no one on hand to convert the rebound.

In the 27th minute Beeson found himself put through again, with quite a bit of work to do he managed to get his shot away but unfortunately for the Sherborne

faithful watching on it went agonizingly close but just dribbled wide.

It was Sherborne who were on top now and a Luke Jackson shot was well saved by Stur's stopper Theo Crane. Sherborne then saw another effort come off the woodwork when Ollie Hebbard done well to get onto a deep cross into the box and his acrobatic effort hit the outside of the post. Although it was Sherborne that was producing the better chances, Sturminster were well in the game and their first real effort on goal came in the 35th minute when a good cross was met by the head of Jamie Danoris which Jamie Beal, returning from injury in the Sherborne goal, done well to hang on to.

It was Stur that ended the half on top, when another good cross wasn't dealt with by the Sherborne defence, and a sliced clearance went for a corner when in fact it could have ended up anywhere. But before the half drew to a close there was an opportunity for both sides.

Ollie Hebbard had his left foot strike well saved by Crane and at the other end Will Guppy hit a good opportunity wide. Although no goals a good entertaining half for the spectators.

The second half kicked off with neither side making any changes, and things didn't really get going until the hour mark when Stur marksman Nick Thomson had a good opportunity to open the scoring but he saw his header fall safely into Beal's hands. 2 minutes later Beal had to be on form again and made a fine save from a Buddy O'Shea shot.

With Stur now creating the better chances, Sherborne made a couple changes, but still couldn't create any clear-cut chances. The final 10 minutes then took a hold again when another miss timed tackle from Sturminster's right back saw him get a booking, on

another day he could have quite easily received his marching orders.

Sturminster Newton kept pushing and will feel aggrieved to have a penalty shout turned down after the ball seemed to have struck a Zebra arm from a fierce shot. It was then a Sherborne man who entered the referee's book, when Steve Friend made a clumsy tackle and received a yellow card.

As the game petered out there was one last chance for both teams. Firstly, Steve Friend managed to get on to the end of a deep cross but could only direct his header over, he couldn't quite get the height needed, this may be down to only having one boot on at the time.

In the dying minutes as both teams looked to secure a point, Jamie Beal had to make a sharp save from a Sturminster sub who probably should have done better. As the final whistle went and with the score line 0-0, it may have been Sherborne who felt 2 points dropped with the chances created in the first half, but on reflection a point shared was probably the fairest result.

BRIDPORT RES 3 WESTLAND SPORTS 3

Bridport Reserves welcomed Westland Sports for this 1st Jewson Dorset Premier Football League match of 2022 to St Mary's, the locals would go home thoroughly entertained after this 6-goal thriller.

The hosts settled the quicker and with their 1st attack they scored following a corner which was then put in to the net by ROBIN JONES for 1-0.

Then Josh Baker went on a run and got taken out by the edge of the box up resulting in a free kick, up stepped ROBIN JONES to tuck it away nicely, so doubling the host's advantage. Westlands then piled the pressure on, eventually breaking down the stubborn Bees back line allowing STEVE ORMROD to notch, HT 2-1.

In the Second half, Westlands come out again strongly really pushing the home side back as they searched for the equaliser, however against the run of play Bridport went 3-1 up courtesy of a delicate JOSH HUNTER delightful chip.

Westlands are made of strong stuff as they refused to give up and got themselves back into the game as

STEVE ORMROD doubled his tally, minutes later and the visitors were level when substitute DAN CHISLETT scored an excellent goal, further chances came and went with the hosts indebted to a superb series of saves from JORDAN SCADDING in the home goal. All in All, a very good point for Bridport Res.

SHAFTESBURY RES 1 HOLT UNITED 3

A big thank you goes to both sides for reversing this fixture late on due to a waterlogged pitch at Petersham Lane, so enabling this Jewson Dorset Premier Football League fixture to be played at Shaftesbury's Cochrams Ground, a move that the Bulls were delighted about as they secured all 3 points in an entertaining encounter.

In an evenly matched 1st half that saw the sides go in level at the break courtesy of a fine strike by Shaftesbury's CHARLES BROWN and a neat finish from Holt's SAM HERRINGTON.

Into the 2nd half and the visitors began to dominate as they played some neat football at times and pressurised the home defence, that man HERRINGTON got his 2nd and Holts second to give the visitors the lead mid-way through the half.

Shaftesbury's cause was not helped as JAMES MILLIGAN received 2 yellows resulting in a Red Card and the 10 men had no answer to Holt with SAM HERRINGTON notching his hat trick with a fine finish to secure the 3 points.

PORTLAND UTD RES 1 BALTI SPORTS 2

Balti Sports claimed a precious 2-1 away win over Portland United Reserves in the Jewson Dorset Premier League under the lights at the Camp & Satherley Stadium in this local derby.

Balti have now done the double over the islanders following a 5-0 win at Cranford Avenue earlier in the season. Marco Nott's men picked up their third away league victory of the campaign in the process and now occupy 13th place in the League Table.

Balti weathered early Portland pressure when experienced striker Lewis Clarke was denied in a one-on-one with keeper Marco Nott. With Nott off his line, Portland were then repelled by the retreating Scott Walker who cleared off the line. Portland enjoyed more of possession in the first half and Balti resorted to

threatening on the break, led by Jack Drummond and Ricky Lane up top. And the duo combined for the game's first goal, Drummond seeing a shot saved and veteran marksman RICKY LANE following up by finding the roof of the net. Lane then missed a golden chance for 2-0 when just eight yards out having done all the hard work in bringing down Matt Chambers' cross, he fluffed his shot.

Right on half-time, Sport's Nott pulled off a reflex save to deny ex-Balti man Lloyd Beal's' goal bound header, HT 0-1. Portland dominated in the second half with good territory and a number of free-kicks in Balti's final third.

There seemed an air of inevitability about Portland's equaliser when JAMIE CLEAVER cut inside and fired home past the unsuspected Nott. However, there was a late sting in the tail for the Blues – despite good pressure around the Balti box – as JACK DRUMMOND volleyed home from a saved Lane shot. Balti would have made sure of the points earlier but for a wayward Danny Andrews volley, although the Weymouth side later saw out their sixth win of the campaign.

Nott told Echosport: “We spoke about making a fresh start and forgetting 2021, trying to get up that league table. “It's not acceptable where we are at the moment and the squad's definitely underachieving. We said that before kick-off. “It was a really good away win against a good young Portland side. It's massive to hold on to the win, they pegged us back to 1-1 and we nicked it. “It was really pleasing to get 2022 off to a good start. Hopefully we can build some forward momentum and try and take that game into Shaftesbury at the week end.”

Nott added: “It's a case of gaining confidence from the Portland victory and hopefully building on that. “Hopefully we can finish as strongly as possible and get back up that table. “As soon as you put a couple of wins together you jump up the table. They're a team in and around us. “We went there in midweek and lost just before Christmas. It would be nice to put right a few wrongs, get them down at our place. “We want to improve our home record because it's pretty dire. We're notoriously good at home and we've got to get that feeling back. We've been very poor this season.”

Che Curran (isolation) is a doubt, while midfielders Sean Zima and Ethan Devaney could return. Carl McClements (toe) and Stef Stavrianos (knee) are

nearing a comeback. Balti have also signed Dylan Riley and Pete Jarvis on dual terms.

BOURNEMOUTH SPORTS 2 WAREHAM RANGERS 1

Bournemouth Sports recorded their first win of the new year with a 2-1 win against Wareham Rangers. This was the only game that survived in the Jewson Dorset Premier Football League with many games falling victim to the heavy rain.

Sports went ahead in the 19th minute when livewire AWWAL ABUBAKAR turned on the edge of the box and fired a low shot into the bottom corner of the goal.

Striker Jack Voisey was upended in the box shortly afterwards by Wareham Keeper Mike Davies and JACK VOISEY picking himself up to calmly score the resulting spot kick in the 27th Minute to take his tally to 30 goals for the season and keep him at the top of the scoring charts in the league, HT 2-0.

The second half proved to be a somewhat scrappy affair and Wareham pulled one back on 52 minutes following a good shot from the edge of the area by PAT CARREIA as Sports failed to clear their lines appropriately.

Furthermore, Sports keeper Marc Davies then pulled off several fine saves to keep his side in the game as the hosts lacked any rhythm and tenacity during the second half as the visitors belied their position in the table to have a right go at Sports.

Wareham would consider themselves unlucky not to come away with a point as Bournemouth Sports goalkeeper Marc Davies who was the Man of the Match keeping them at bay.

Sports did have one good chance late on in the second half when Josh Moody headed just over the bar. Sports hung on for the 3 points however the draw would have been a fair result but it wasn't meant to be for Rangers who can take many positives away from the game and into 2022.
